EXPERIENCE THE DIFFERENCE OF SIGHTMD CT

Our team is top ranked in the industry for providing award-winning care to every person, family, and community we are privileged to serve. We take a seamless approach to the health, quality, and clarity of your vision—right in your neighborhood, around the clock, seven days a week.

Steve Tu, DO

Cataract Surgery, Laser Vision Correction

Dr. Steven Tu is a highly skilled ophthalmologist and laser eye surgeon who's been serving the Hartford community since 2001. He graduated from Rutgers University and received his Doctorate of Medicine at the University of Health Sciences. He provides services including glaucoma management plans, LASIK/PRK, Cataract Surgery, Medical Evaluation & Management of Ocular Diseases, and more. Dr. Tu was born and raised in the hills of New Jersey, and enjoys travelling and skiing.

Jason Delisle, OD

Comprehensive Optometry

Dr. Jason Delisle is a highly skilled and well rounded optometrist providing excellent care to the people of Connecticut. After receiving his Doctorate of Optometry degree from New England College of Optometry, he continued his education at Eye Centers of South Florida, Vision Care of Maine, Newington VA Hospital, and East Boston Health Center. He provides personalized treatment options for dry eye management, eye infections, stye treatments, and more.

Frank Won, OD

Comprehensive Optometry

Frank Won, O.D. is an experienced optometrist with nearly 20 years of comprehensive clinical and leadership experience. Dedicated to providing exceptional care, Dr. Won is committed to creating a positive and welcoming environment for both patients and staff. His goal is to continuously expand his clinical skills and deliver the highest standard of care to every patient he serves.
